North Port High School will host it's 7th Annual Marching Competition, "Music on the Move". This competition will take place at the North Port High School Stadium on Saturday, October 30, 2010. We have seating capacity for approximately 5,000 people.

Our focus will be on providing quality critique for your competitive season. We are a FMBC sanctioned show. We will offer a CSJA panel of judges for consistency in scoring, with a judges critique following the show.

This is an excellent opportunity to either qualify or better your placement for state.

This is a finals only format with the start time depending on the number of participating bands. The awards ceremony will take place at 10:00PM with start times working backwards from this time.

This will be a rain or shine event. We have arranged to move the competition indoors if inclement weather prevails. Judging will be based on music only if this occurs.

Full concession will be available with menu plans for your band. Our concession wants to accommodate you in every way possible. You will receive the opportunity to set a time that you would like for your band to receive top priority in service and seating.

There will be a directors lounge for your convenience.

Visit our show website at:

to complete the online registration form. We will be posting information on the website as the competition draws near for your convenience.

Due to advance interest from area Band Directors, we are accepting registration on a first come basis. The show is limited to twenty (20) competing bands, therefore, acceptance will be based upon receipt of both the online registration and the entry fee. Your placement will be determined upon receipt of payment and online registration in your class.

Please complete this short application and send it in with your payment. More contact information will follow with your information pack. We ask that you respond to all necessary information as soon as possible.
